

Imām Muḥammad Bin Ismā'īl al-Bukhārī would make a khatam of Qur'ān daily in Ramaḍān.

He would stand in optional prayer after Tarāwīḥ and complete a khatam every three nights.

(Siyar A'lām al-Nubalā')

Imām Bukhārī would thus complete the Qur'ān 39 times in Ramaḍhān without considering Tarāwīḥ
